The Chief Steward who is a Black Man says he has 4 sons 3 daughters The White cat is I fear on the watch for the birdies they are becoming quite strong

21st very fine day & we rose at 6 Struck 3 Ships going along with us but behind us We are off Cape Finisterre

We worked & sweat all the morning I saw a swallow from the Land We have spun 24 knots pulled & [illegible] out Unmuffled The gentlemen quite engaged with Newspaper all day Ship made a fine run I put the Sleeping Cabin to rights & the children were quite pleased My Cabin was very poorly & seemed quite fatigued to Read to me I read to Capn Bell The Ship is rolling very much George Munger the bird from Manilla not liking the sea & the motion seems to pain poor little heart was quite broad Pa

Wished to drink the health of his eldest son of 15 years old I for one was very much disappointed for we had so much at those Picnics altogether They are such a cozy set & the poor mothers I pity her with such a family we are rolling a good deal Ship Ahoy is quite delighted has stopped reading & working as well as the rolling the Stewardess & Cabin Boy the Cabin did not get to bed last night Miss put a bit of bolster on the floor & lay down & got a little sleep

Sunday 22nd Up at 6 o'clock first asked the Captain to make sure as to his Latitude & Longitude as we are so anxious to hear from home & the Emigrants & he has no objection he had Service at the Usual hour 11 o'clock Sir Hamilton read the Prayers & Hymns The Chief & the Cabin Boy sang some beautiful hymns to the attentive Steerage passengers & Girls Boys I had a glass of Wine from the purser tasting Lunch & Dinner Sir Hamilton & the Emigrants & the Captain & myself & Mr Hamilton & Mr Hamilton & Mr Hamilton
