

Fishes 10th a very pitching tiring day. Bridget not well kept her
the biggest most complete Papered all stuck in the
Cabin. Hair hair rain at every cabin. Miss Candy Miss Gentry
Miss Orono all sick. Gained the Phillips in of the night
quite sick. All the girls however were not yet that ship is
beautifully on her course. I was busy up for yesterday when
we were going very slowly. The wind had changed without this
the bed is broken. Mary & the hand ahead of the ship to reach
to the side that he takes a stand on with. Several Misses & some
visits to the opposite side of the cabin reading & writing the time
I went on deck a little while but he belly can't see this part of day
Ship got over the day better than I expected. The left was a very large
Phoebe moved back to the largest of the kind some
were seen also.

Saturday 11th 18th What an unpleasant night of getting (pitching &
thrusting) I have been out of bed as I was on the outside. The cover
is completely to the side that Miss Orono was thrown on the floor
from a height. I was thankful it was this morning. Miss Gentry
to be up to meet it. Two homeward bound ships have been seen. They
nearly one of each. I have answered her names but had not time

to do more so the left says the name of the ship. I had a paper
in the paper office on the voyage. Ship was deck. Rainy but
pale as a sheet. Miss Land still in bed. Miss Gentry better. Ship
but was not able to get on deck. The left had a bed laid for her on the
under the sky. She felt better. The left says she had a blow on her
teeth from a level of the ship that she was quite hurt. However she
got better. The crew was very happy. There was a great fire
The left turned the ship by night. Had every thing out of bed
to the it. It was for about 12 hours. I very but a little in
his state. I all in good health.

Sunday 12th My darling's anniversary. I have many
Went down to deck. Mr. Orono had all papers for Gentry
stuffed up with a paper from a woman who has been ill since
Friday. I am reading of it. I have some prepared some letters
Miss Gentry appeared in bed. I some prepared some letters
it open for the latest date but that is not moved
off in two days. We had another fire that was
Ourned the shell on. Be sent off a boat with the
