

1870
apt.

Tu 12 At home all day brewing
with L. Smith - sent the men
back to camp to fix up the
tents & get things dried -

Wed. 13 ^{walked} Rode to camp surveyed two
long sec. lines & rode home
Blankets too wet to sleep
in.

Thurs 14 Rode to camp again
working at the sec. all day
slept at camp to night
found the bed very damp.
got cold in consequence

good }
Fri 15 Rain last ^{long} sec. boundary
reclaimed along Sealey's rd.
on washdyke spur -
Dr. Butler
died

Sat. 16 Wet day again could do
nothing - walked home
by way of Sealey's house
to get wet -
