

Tuesday 3rd

Nothing wonderful happened.
Lay down in the afternoon &
read "Barnaby Rudge".
Went to a short choir practice
in the First Class Saloon at
7.30. Played a good game
of Whist in the evening.
Good playing for money is on
the increase. Rap is the
game played most.

Wednesday 4th

Got up at 6.30. Liddled in
the morning, read "Barnaby
Rudge". Skinned Beef for
dinner. Lay down in bed &
read after dinner. Aired Bed
& Blankets. Saw about 100
Porpoises sporting in the
water, very much resembled
boys, pre-hunting, one or two
in advance & all the rest

following. It is a beautiful
day. Threatened rough weather
all day yesterday, also last
night, but for the present it
has passed off.

Played seven games of Drafts
Mr Adams & myself against
Mr. Dudley & Mr. Fraser. They
had four games to one three.
We are rather undecided as to
whether we shall eat at the
Cafe or not.

The Rap players are very ex-
cited over their game.
We were six hundred miles off
the Cape at 12 o'clock to-day.
Went off to bed at 9.40 p.m.

Thursday 5th

Got up at 7 a.m. Thought it
was only 6.30, but now the time
changes so much. Finished read-
ing "Barnaby Rudge". Have lent
Mr. Fraser "Marion Bay".
