Percelle 5:30 a.m.
 Up early to get ready for
 an inspection by General
 Shucell. He is an Australian
 & often caused us a chore
 of a lot of work getting things
 polished up to please him.
 Our inspection over at 11 P.M. &
 we were very pleased to get
 out of our uniforms & bandoliers
 & get us for a swim.
 I wish of being contests in
 the evening & some very good
 contests. Chaplain Alder from Camau
 line keeper.
