for shell arr 11 P.M. 3-10-1918 left next
to forward to Cochy left Cochy 12-10-1918

A SALT AND PEPPER SHAKER. Take a piece
of Bamboo and cut it between the joints leaving a joint in
the middle of about 4 inches. Into each end fit a Wood
Cork with a hole through the centre. Put salt in one end
and pepper in the other. It would also do for tea and sugar
or to hold small articles or needles. A.
