MAKING SLING OF A ROLLER BANDAGE.

On making an arm sling out of a roller bandage many persons simply take the bandage, rest the arm upon it, and tie the bandage at back of patient's neck. You have noticed, however, that within a few hours the bandage curls up. To prevent this, split the bandage in the same way as you would a "fourtail" and tie the four ends at back of the injured person's neck. A.
