

quick succession.
A man well down
the hill stuck out
his head and sung
out to his mate up
above. "Bill you fool
stop throwing those
b-y bricks"

The shelling
and rifle fire has
stopped now, but
I suppose they will
start again tonight

Sun 30/5/15

Nothing eventful
much last night
just before dark an
emplacement for a gun
or bomb catapult or
something of the kind
was noticed apparently
built up with crates
boxes etc. They asked the
May to fire at it. I was
walking round a
corner and I could
see the Mayors

calculated too many
degrees more night no 1
so many left No 2 and
so on their "Good spot"
Brought to hell by 9
they had landed a shell
in the middle and blown
cartridge cases to pieces
and all sky high. Then
they blew a shell in the
left and another in the
right and were just
going to polish it off
when word came up
from the guns that two
men had been killed
in front of the guns

Tues 1/6/15

Over in Monasho
valley now. ~~Very~~ Sun
afternoon. ~~Forger~~ and
transport officer came
over to relieve me while
I came over to
