My tent mates are checking over my points!

After returning from our flag-march to the Euphrates and back, the N.Z. Div. took up defensive positions in the Orontes Valley, South of Aleppo, and between the Lebanon Mts. to the West, & the Anti-Lebanons to the East. Our Bde. area was in the vicinity of a small village - Zabboud.

We were there for 7 weeks. The Aussies took over from us in Aleppo.

Our C.O. (Left) Lt Col. S.M. Satterthwaite - Timaru.
