

The 75 mm. gun on Sherman tank.

The fly-plague of July/August 1942. Alamein.

Getting water from a leak in the water pipeline, laid by Engineers to "Kaponga Box" area in July. Very hot. I couldn't spit. I'm in middle, with topee & back to camera.

American Field Ambulance ~ Alamein. (Volunteers ~ did very good job.)

Tanks. Sherman left ~ Crusader (English)

One less German M.E. 109E. Alamein.
