

I do not understand  
what do you want?  
It is not my fault.  
leave me alone.  
I am in a hurry.  
{ where have you  
} been?  
don't go away.  
don't stir  
he is a friend of  
mine.  
what good is it?  
No doubt.  
{ I can bear it no  
} longer.  
who calls me?  
that is impossible.  
don't be angry.
