Saturday

On the move again across the desert. Our German staff car broke down - front axle broke.

Travelled about 100 miles in desert formation.

Must be near the frontier. Camped for night.

Sunday

Crossed into Libya through frontier wire at 11:45 A.M.
Reached destination at 3:15 P.M.
Went to our area, put up I. tent + our bivvies. Sidi Asez in distance. Thousands of vehicles around the horizon (N.Z. Div.)

Sorted out maps.
Overcast.

Jack made some whitebait "patties". Very good.
