Write Home First.

57 where you seldom stay for long
together in the Army.
Have been wondering about
you all in N.Z. since Japan
came into the war a week ago.
We hear little news here: no
papers as yet. I suppose the
Home Guard will be in
readiness for any emergency.
Well, hush, I will bring
this to a close now. Don't
worry about me please, as I'm
probably safer here than you
are in N.Z. I hope these lines
find you all well. How is
the Roadie?

From your loving son,
Revan.

P.S. I said Bob was at a Hospital.
He is an orderly there: not a
patient.
