

14/

leather shopping bag for Ema, from
one of the reopened shops. It is
of unusual style.

Well my dears, I will finish
this off now. I will be sending
you something from here in a
day or so. I have saved up
some money lately.

I am A.I. hope this finds
you also in the pink. Thanks
again for the cake.

Love from your son,
Rawai
