Well, it is there all right, with crystal clear water, two or three feet deep in it. Some light came streaming down from through a hole in the roof above - & made everything quite visible.

Well, this will be enough for letter No. 2, & in my next I will tell you about "Via Roboosa," & the "Way of the Cross" of the Church of the Holy Sepulchre & of the remainder of my wonderful holiday in Palestine.

Love from your son,
